

C F C
Life is staring me in the face, I look at it and smile.
Am G F G
Even though there is bad, There's more good in our world.
C Am D7/F#
When I was a little child, the bonds where natures own.
C F
And what seemed to me like a mountain then,
G C
Is really just a stone.

Just remember who you are. From when and whence you came.
Am G F G
Life will show you many things But never seek to blame.
C Am D7/F#
All though life seems to limit you, The future is yet won.
C F
What flickered like a candle dim,
G C
Is burning like the sun!
